

Kortright Hills Neighbourhood Group – June 17, 2010 Meeting Minutes

Members in Attendance: Dean Post, Doug Johnson, Leone Schadenberg, Shailja Pandey & Sara Sutherland.

- Welcome to Sara Sutherland! Thank you for joining our group!

KHNG New Members and Email Contacts

- Welcome to others who have contacted by email and will contribute via email and come to meetings when possible.
 - Lisa & John Dallan
 - Katherine MacNaughton
 - Crystal Baker
 - Dennis & Erika Levett
 - Doug & Amy Patterson
- We will add these people to the “Core Group” email list.
- Shailja will look into creating an online community bulletin board/page on which we can post updates, minutes and questions. Members can view the board and provide input, feedback and suggestions via this site. This will avoid too many emails going around! Will look into this in July, once BBQ & after school program is complete.
- Also need to look into a new website host – having the City of Guelph site causes delays regarding updates. Leone can update the site herself if we find a different host. Sara will look into our email account with Bell and see if we have web hosting as part of our package. Shailja & Leone will get account details to her.

KASP – Kortright After School Program

- Reviewed proposed budget and approved it.
- Added to Leone’s hours – 5 hours per week (from 4)
- Will ask City to post positions ASAP and hire coordinator ASAP.
- Registration already under way and many have already registered
- Neighbourhood children from John McCrae school are dropped off in front of KHPS at end of day – they can also participate in the program.
- Will advertise to John McCrae students if program doesn’t fill with KHPS students.
- Will need to start collecting recyclables for crafts such as egg cartons, milk cartons, water bottles, Kleenex boxes etc. Shailja will make up a list and Leone will put it in our next newsletter.
