

# Kortright Hills Neighbourhood Group

## June 19, 2008 Minutes

Present: Alana McIntyre, Doug Johnson, Heather Arsenault  
Regrets: Dean Post, Tammy Oakley, Nancy Kielar

Due to the small number of attendees and that 2 of them could not stay for long, the meeting was brief.

1. Alana & Heather manned a table at the KHPS Ice Cream Social on June 12 where they did kid's tattoos, distributed Scouts About info, and displayed the sign-up sheet for KHNG's distribution list. Some interest in the Scout About program. No interest in our group's distribution list.
2. **Follow up:** Alana was approached by the Jessica's Footprint family about borrowing the tattoo kit for their event on July 12<sup>th</sup>. Instead of lending the kit, Alana suggested to Doug & Heather that KHNG purchase 2 kits, one boy & one girl, and donate them to Jessica's Footprint. We, three, agreed that this was a good idea. The total cost will be \$41.56.  
**Heather's Sidenote:** We should do a press release and have a photo taken of presenting the kits to Jessica's Footprint which could go into the newspaper and be posted in the community room.
3. **July & August Meetings:** All present would like not to have the summer meetings but realize that if we have an Outreach Worker, we may have to have them.
4. **Project Serve Application:** Will discuss this via email once we know whether we have a worker or not.

Minutes prepared by Heather Arsenault.
